To Whom It May Concern

This is to certify that **Mr. Yonas Bogale Sitotaw** has been employed with **MA Service Solution PLC** as a **Full Stack Software Developer** for a period of **two (2) years**.

During his tenure with our organization, Mr. Yonas was responsible for designing, developing, and maintaining full-stack web and mobile applications. He actively contributed to both frontend and backend development, ensuring system scalability, performance optimization, and secure application architecture.

He demonstrated strong technical expertise in software development, API integration, database management, and modern development frameworks. Mr. Yonas consistently showed professionalism, problem-solving skills, and the ability to work independently as well as collaboratively within a team environment.

He was dedicated, reliable, and committed to delivering high-quality software solutions that met business and user requirements. His contributions were valuable to our projects and overall organizational goals.

We wish him continued success in his future professional endeavors.

Sincerely,
